RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106

This will be such an important development for the Newport Lifesaving community, and community more broadly. With better facilities the Newport lifesaving club will be able to expand, take on more member and initiatives and therefore have safer more accomodating beaches. Newport SLSC is also a significant part of the community, in terms of connection, belonging and wellbeing. I believe more people will be inclined to be part of this community with better surf club facilities.
