RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108

Reject the plans. The building is not to appropriate scale, not in keeping with heritage of adjacent buildings (Barrenjoey House)...a shame that original fish and chip shop had to go as it was it was part of the Palmy experience for Locals visitors international and domestic. New building ~ Not enough parking, likely to be noisy, more cars and people leading to further congestion.
