RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I am a Pittwater Resident.

My council should be following the Master Plan for Robertson Road that was commissioned at considerable expense and was a result of extensive consultation with residents.

If the council is interested in our input for overall planning but then allows developments like this that were so far from the plan, then the council is not serving its residents.

Please reject this development
