Dear Councillors,

I am writing on behalf of Community Northern Beaches (CNB) to express our appreciation and admiration for the invaluable contributions that Pilu Freshwater has made to our community. As you are aware, Pilu Freshwater currently has a Development Application (DA) sitting with the Northern Beaches Council, and we would like to share our perspective on the matter.

Pilu Freshwater has consistently shown a commitment to the betterment of the Northern Beaches community. Their active involvement in supporting local charities, including CNB has not gone unnoticed.

Furthermore, Pilu Freshwater's dedication to fostering partnerships with various charitable organisations underscores their passion for creating a more cohesive and caring community. Their willingness to lend a helping hand to local initiatives has been instrumental in uplifting the lives of many, and we are confident that this spirit of collaboration will continue to flourish.

In addition to their charitable endeavours, Pilu Freshwater has been a responsible and respectful member of the local community. They have consistently engaged with residents and stakeholders, seeking feedback and actively listening to concerns.

Regarding the current DA application, we firmly believe that any changes Pilu Freshwater seeks to implement will enhance their capacity to further support charities and contribute to the local economy. We are confident that their vision aligns with the best interests of the Northern Beaches and that they will continue to prioritise the well-being of residents, the environment, and the overall cultural fabric of the area.

Thank you for your time and consideration. Should you require any additional information or wish to discuss this matter further, please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Craig Stevens".
