**RE: DA2020/1758 - 11 Lewis Street BALGOWLAH HEIGHTS NSW 2093**

I am deeply concerned about the safety issues raised in relation to this development proposal and on that basis I object to the proposal. The close proximity of the proposed childcare centre to the public school and the associated car traffic crossing the foot path to enter the child care facility car park could pose significant risk to children travelling to and from the school. The existing high volume of car and foot traffic on Lewis Street is, in my view, already at maximum capacity.
