This submission expresses my strong opposition to the development application to construct a deck on the property at 1/153 Balgowlah Road Balgowlah.

I live directly across the street at 3/149 Balgowlah Road. The proposal deck would greatly impact my privacy and the way I live.

People on the deck would unobstructive views into my bedroom and my second bedroom/office.

I would have to keep the blinds closed in my bedroom and second bedroom whenever people were using the deck.

This would be totally unfair and unreasonable.

Nobody should feel like they live in a fishbowl.

I have attached photos taken from my bedroom to illustrate the situation.

Thank you for the opportunity to state my concerns.
