Officer comments

The application seeks approval for the conversion of part of an existing farm stay garage into farm stay accommodation. Council's Natural Environment Unit - Biodiversity referral team have reviewed the application for consistency against the relevant environmental legislation and controls, including:

Biodiversity Conservation Act 2016 (BC Act) Pittwater Local Environmental Plan (PLEP)

- 7.6 Biodiversity Protection

The application does not require the removal of prescribed trees or vegetation, nor is it likely to impact on nearby biodiversity values. Subject to conditions the Bushland and Biodiversity referral team find the application to be consistent against relevant environmental controls.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
