RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

Hi,

I would like to show my support for the relocation of the of the Frenchs Forrest markets to the car park of the Pittwater RSL in Mona Vale. I have been attending the Forest markets for many many years and it would be truly sad to see such a fantastic event disappear. The organic markets bring so much to the community, good food, employment and tourism to name some benefits. Please allow the market to relocate to Mona Vale. It would be a great loss if it closes.

Many thanks
Boston
