RE: DA2024/1303 - 11 / 0 Melwood Avenue FORESTVILLE NSW 2087

Forestville RSL is currently a unique offering... perfectly positioned next to the playing fields it offers such a welcoming, family-friendly place with its vast outdoor area beyond where parents can enjoy themselves and supervise. This is so rare. To have the outdoor area cut down and for there to be such a focus on gaming, which is such a negative activity that can bring harm and destroy lives, would be devastating. Please consider the families of this area and reject this submission in its current form. Thanks
