**RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084**

This will be just a night mare for residents in a Cooyong rd and Currong circuit. The increase of trucks whilst construction is taking place will be dangerous to everyone- including school children. Traffic in and out of flower power is already a nightmare for residents. Parking in the street will also be severely impacted for residents. This cannot go ahead!
