Hi Adam

We are writing to you again with regard to the above mentioned property.

Yet again we have not received any notification via mail of the resubmission of proposed DA from council. We were advised by our neighbours in Augusta Road yesterday.

We are still concerned at the possible impact of this development, and few changes have been made after looking at the resubmission.

Property development is inevitable and appreciated but it must take into consideration the neighbours who will be impacted the most which are the properties below in Augusta Road. 23,25,27 and 29. Another site inspection is recommended and appreciated.

Kind Regards,

John and Monica Ford

29 Augusta Road
