**RE: DA2024/1303 - 11 / 0 Melwood Avenue FORESTVILLE NSW 2087**

There is only one licensed premises and large family dining venue in Killarney Heights and Forresterville and that is the RSL. The proposal has too much of a focus on gaming and not enough space for families, children and the community. Existing outdoor areas for children to be active are gone in this proposal. Due to the importance of this venue for the community the gaming area should be reduced for more family space.
