**Subject:** Phone tower on the property of RSL Lifecare Narrabeen

Dear Sirs

I have lived in The Dardanelles section of the Narrabeen RSL Village for some 5 years. In that time a constant frustration having to walk out side our unit to use our mobile phones to both receiving & make calls.( In all types of weather!!)

As the village houses many elderly people with mobility issues, this is of major concern for these residents that only have mobile phones to to receive & make contacts.

Therefore please taken on board the residents concerns & vote yes for the phone tower to be installed on the property of RSL Lifecare Narrabeen.

With Regards

Denis G Du Ross & Elizabeth Thomas  
Unit 62 The Dardanelles RSL Narrabeen Lifecare Village.
