RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106

I'm on total and full support to this DA to improve the Newport surf club facilities, I've been a proud member of Newport for many years and to see our club fall behind the other club in this state is terrible, especially on the Northern Beaches. We have the best club, so friendly and a great place to meet new friends and bring new ones. So Newport deserves a place to be proud of. The new renovation are going to bring more people to the area, its great new modern look, up to date facilities, and helpful storage access for our patrol, and patrol gear. I strongly urge this DA be approved along with the supporting DA, including the surf school.
