RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

Lodging strong objection to the proposed installation of mobile phone tower in John Fisher Park.

Object due to safety concerns risks this proposed development places upon the local community. Concerned for the wellbeing of the residents and wildlife & nature that surrounds the area. Please do not continue to pollute our environment with further additions of towers that omit harmful effects on us, that are making people unwell & damaging health. Protect the space for us all to enjoy in cleaner environment, & not place our health at risk for more towers please.
