28th February 2017

Our Ref: AIT 22

Manly Central
22 Central Avenue
MANLY NSW 2095

Attention: Mr Tony Strati

**Re: *Manly National, 22 Central Avenue Manly -
Fire Alarm Detection System Level 6, Unit 641***

Following my inspection of Unit 641, at the above premises, the fire alarm detection system within the unit has been installed in keeping with the rest of the building, in accordance with the relevant Australian Standards AS1670 1995.

Assuring you of our best service and attention at all times, should you require any additional information or have any queries please do not hesitate to contact me on 0414 66 44 55 or at reception@chrysalisbuildingservices.com

Yours Faithfully
Chrysalis Building Services Pty Ltd
