Subject: Objection to Development

To Whom it May Concern, I am sending this email to object to the over development on North Avalon Road. I was involved in the Avalon Place Plan last year and overwhelmingly the loss of trees was a main topic and now these greedy developers want to remove a number of them. I understand that work has already begun, how has this been allowed?

I was on the Newport Progress Association for a number of years and we were able to stop a number of inappropriate developments and I hope the Council can keep their objections up and make these people change their plans.

Yours sincerely,
Marilyn Guion
