Attention:-Marina and marine life.

I very much enjoy the area in question, being a member of north harbour sailing club.

To paddle around and enjoy this peaceful little slice of heaven is just incredible.

There are so few places left with such beauty right here in Manly... that it would be a crying shame to change any of this area. It's so naturally beautiful and unspoilt. Enjoyed by hundreds daily. Please never change it, let's hope it will continue for generations to come.

Yours sincerely,

Sally Burnes
