**RE: DA2021/1912 - 2 - 4 Lakeside Crescent NORTH MANLY NSW 2100**

We strongly object to DA2021/1912 as this is a gross over development of the site.  
If this DA is approved by council it will have a massive impact and add 40 -50 cars to surrounding streets.

This DA breaks council regulations on size bulk and height for this area as pointed out by 2 town planners and the removal of 38 native trees which reduce the noise from Pittwater Rd for surrounding properties.

Greg and Sarah Largier
