RE: DA2018/1924 - Forest Way FRENCHS FOREST NSW 2086

I wish to raise my concerns to the redevelopment of Forestway Shopping Centre in particular to the entry/exit via residential backroads.

Firstly, I have lived at the above address for 60 years and have already had the unfortunate experience of a neighbour's son been killed in the street due to the narrowness of the street and heavy traffic flow. I do not want to see this happen again, particularly now we have footpaths and a lot of school children about on foot and on bikes.

Secondly, Grace Avenue has had a restricted access (South Bound) in the morning until 8.45am, this has been in place for 30 years.

After all the funds spent upgrading Warringah Road and Forestway, the main roads should be accessible and used rather than the narrow residential backroads when entering and exiting Forestway Shopping Centre.
