Consideration of Application		
<p>The proposal seeks the following works: Alterations and additions to an existing residential flat building involving the amalgamation and reconfiguration of apartments 4 and 7 through the introduction of an internal staircase and the construction of an internally accessed retreat and bathroom predominantly within the existing pitched roof form at the southern end of the building. New windows and doors are also proposed.</p> <p>The works are confined within the existing built form. There is no proposed increase to the building footprint, and the modifications do not extend into or impact the adjacent heritage significant beach reserve.</p> <p>Therefore, Heritage raises no objections and requires no conditions.</p> <p>Consider against the provisions of CL5.10 of WLEP 2011.</p> <p>Is a Conservation Management Plan (CMP) Required? No Has a CMP been provided? No Is a Heritage Impact Statement required? No Has a Heritage Impact Statement been provided? No</p>		

The proposal is therefore unsupported.
