Dear Olivia

I am one of the founders of the Manly Warringah women's cricket program which is in its 7<sup>th</sup> season where we field all 4 Women's Cricket grades in the NSW Women's Premier Cricket competition. Participation numbers have risen significantly in female cricket on the Northern Beaches in the past 8 years with the advent of junior girls club cricket, junior girls representative cricket, all of which provide our pathway to the premier cricket and NSW program.

With this growth in participation numbers a major problem we have faced for many years is the fact we have nowhere to train when it rains and we are desperately in need of an indoor training facility for all cricketers.

I would therefore like to wholeheartedly support application DA2023/1237 for the construction of the Cromer Indoor training facility.

Best Regards  
Ross Denny
