RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

I am against the lack of extra parking and mainly the addition of an extra 100 patrons to a first floor bar with PA system. The noise which will be projected across the valley until late into the evening from bands and the like in a predominantly residential precinct should not be allowed.
I'm all for progress but this is over the top for residents.
