**Subject:** Stony Range

We write as a matter of urgency to ask that you give very careful thought to the DA before Council near the Stony Range garden in Dee Why. An EIGHT storey building proposed from the site will mean the end of this precious eco system that provides rest and joy to so many people and children visiting the garden. Dee Why is, in many people's view, overdeveloped any way. Another high rise DA, especially for such a location, where a natural iconic site has been nurtured for decades, must be resisted and reappraised by a council that we trust, is doing the right thing for the constituents.

Say NO to this present DA and save Stony range !

Kind regards

Geoff and Carolyn Mills
