To Whom It May Concern,

I am the General Manager of Quest Manly directly opposite Hugo's Manly at the address listed below. We have never had any issue with noise associated with Hugo's. The only bad words I have heard mentioning Hugo's from our guests have stemmed from them not being able to get a table there as they are too busy. Hugo's is a highlight of Manly from both a tourism and culinary perspective. I have no doubt that the positive publicity they constantly receive assists businesses like mine and in times like these, we need all the help we can get.  
With this in mind I wholeheartedly support this DA in entirety.

Yours Sincerely,

**Mark Stanley**
