Hello

I regularly attend the new organic market at mona vale and have been a regular customer for over 10 years at the market old site in French's forest.

I wish to support an earlier opening time of 7.30 so as to not make such a rush on Sunday mornings. I have a friend who is a stall holder and her takings have reduced considerably since shorter hours. Luckily she does not have fresh produce as I have seen other traders loose money and have left over produce at end of day. The market stall holders are small businesses and I feel we need to do all we can to support them.

Thankyou
