RE: Mod2017/0340 - 0 Wharves And Jetties MANLY NSW 2095

The scale of this redevelopment is totally out of character with this popular area of Manly. The proposed new level will look terrible. The parking in this area is at it limits. This proposal will bring hundreds of extra visitors/tourists. This huge modern development will set precedents that will change the natural beauty of Manly harbour forever.
Manly Wharf does not want or need more restaurants.
