RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

Im very concerned about the height and what windows will be facing our block. As its such small block with minimal width please ensure privacy to our bedrooms and living area and backyard on the North side arent lost. Im also very worried as 4 years ago we spent close to \$12,000 on solar panels and will now be shaded by a 7 storey property rendering them useless due to shade created by new construction. Not to mention the shade t our plants and grass in our backyard.

Can someone please email me submitted design plans.

My other concern is noise and environmental impact to our mental health during build. As such a large construction will take too long and please ensure that they dont disturb the peace and only work within business hours.
