RE: DA2024/0123 - 10 Inman Road CROMER NSW 2099

This letter is in support for the proposal for the locally owned Feels Pilates business to be established in Cromer. This initiative aims to bring health and wellness services closer to residents while fostering community engagement. The business, with successful venues in Narrabeen, Avalon, and soon in Frenchs Forest, emphasizes not only physical fitness but also community engagement through regular events and workshops. Pilates promotes mental and physical well-being, aligning with the council's goals of enhancing residents' quality of life. I urge the council to support this endeavor for the betterment of our community.
