

## Engineering Referral Response

|                                        |                                                               |
|----------------------------------------|---------------------------------------------------------------|
| <b>Application Number:</b>             | Mod2022/0085                                                  |
| <b>Date:</b>                           | 17/03/2022                                                    |
| <b>To:</b>                             | Brittany Harrison                                             |
| <b>Land to be developed (Address):</b> | Lot 9 DP 28663 , 87 Dolphin Crescent AVALON BEACH<br>NSW 2107 |

### Reasons for referral

This application seeks consent for the following:

- New Dwellings or
- Applications that require OSD where additional impervious area exceeds 50m2 or
- Alterations to existing or new driveways or
- Where proposals affect or are adjacent to Council drainage infrastructure incl. watercourses and drainage channels or
- Torrens, Stratum and Community Title Subdivisions or
- All new Commercial and Industrial and RFB Development with the exception of signage or
- Works/uses in flood affected areas

And as such, Council's development engineers are required to consider the likely impacts on drainage regimes.

### Officer comments

The Modification to approved DA is considered minor and can be supported.  
No Development Engineering to the proposed modification with no additional condition is applicable.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.

### Recommended Engineering Conditions:

Nil.
