**RE: DA2023/0597 - 14 / 22 Central Avenue MANLY NSW 2095**

As a local business owner of a health and wellness business, a stones throw away from the DA, I fully support the submission and look forward to new regular footfall of locals who will frequent Manly. I understand any delay in the building work may result in one to three of the tenants losing interest and moving else where. I think they will be detrimental to the local economy if we allow this to happen. If you require any further information please don't hesitate to call me
