Subject: Pickleball at Pittwater RSL

To whom it may concern

Pickleball courts installed at Pittwater RSL would be a great addition to Northern Beaches Pickleball club.

Currently there are very few outdoor courts. The fact that this would be the only venue that has dining/cafe facilities for before or after games, not to mention a great place for our functions, makes it the perfect venue for our growing club (as you probably know, now over 1,000 members).

It would be such a great addition to the social side of our club. At the moment if we want to have a get together after our games we have to find a location that everyone is willing to travel to.

Mostly we play and go home, as having to get into our cars and drive somewhere else, sometimes further from home is a turn off. With dining facilities on the premises it would be so easy to gather for a coffee/drink or stay for dinner.

There may also be existing RSL members that would love to join our club as well.

It would also expose our club to areas south west of The Beaches. There are no Pickleball clubs in the Terrey Hills to St Ives direction so the RSL would be an ideal location.

Looking forward to hopefully playing at Pittwater RSL in the near future

Regards
Gaye Belbin
