RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108

We object to the revised plans submitted in relation to the old fish and chip shop site next to the Barrenjoey House in Palm Beach.

We believe that the proposal is for a building which is too large and too long, and inappropriate for the village setting on Palm Beach.

We also believe that the size of the proposed building exceeds council regulations.

Thank you for your attention.
