Hi Frank,

As discussed on the phone just now, yes, the applicants have amended the proposed hours of use as per their email.

The assessment of the application is not yet completed, but if it goes onto be recommended for approval, then those hours now proposed in the latest email from the applicant would likely be the ones applied to a consent. But that is yet to be assessed.

Kind regards,

**Re: DA 2020/1465 - 4/0 Bennett St., Curl Curl**

Further to a recent submission from Oli Bramley, Managing Director, KIKOFF/Choose Football, confirming a mutual agreement with local residents that the abovementioned DA 2020/1465, would be amended to adjust the proposed hours of operation from Mon - Fri - 6.00am - 11.00pm to the more acceptable hours of operation, **Mon - Fri 8.00am - 9.30pm.**

Please appreciate that the local residents need an assurance that the DA has now been **definitely amended** to incorporate the latest proposed hours, namely, **Mon - Fri 8.00am - 9.30pm.**

We now look forward to your immediate reply.

Best regards,
