RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

To whom it may concern,

I would like to voice my objection to the proposed market at Harbord Bowling Club.

Freshwater Village is dying. Shops are continually closing and there has been no supermarket for several years.

The organic market that is running on a Sunday is providing much needed goods and services to local families and is a great community orientated meeting place. This market provides the opportunity to bring people to the village and to support the remaining businesses. I believe Council should be offering more support to growing this market and focus on supporting local businesses rather than allowing another market to open down the road - effectively in opposition and one that will take more people and business from Freshwater village.

Yours sincerely

Jo-Anne Sanday
