**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099**

Hello

We are against this development. Please do not go ahead.

Hereafter are the key reasons why The Curl Curl Community is strongly opposed to the development:

- Telco towers do not belong in public spaces and reserves
- Visual impacts of proposed tower and elevated platform
- Proposed structure is out of place in a recently rehabilitated and re-vegetated area
- The Curl Curl Lagoon and its fragile wildlife needs to be protected and no infrastructure should be allowed within the fragile riparian buffer zone
  
- Overwhelming opposition from the Community already in 2015 and 2017.
  
- Concerns with the potential health impact
- Too close to the Curl Curl North Primary School
- Too close to children playgrounds and sports fields used by adults and minors
