RE: DA2025/0132 - 37 Roseberry Street BALGOWLAH NSW 2093

In our family, we love supporting local businesses. The current tenant is a local business that we frequent and support five days a week. We plan meet ups with mates and also happily bump in to friends during our visits. A lovely sense of community that will be lost.

As the most physically active council in all of Australia, why add a fast food restaurant that does nothing but work against the healthy gains made by our active community members?

As a member of the local community, for the reasons stated above and more, I wish to submit this statement as being against the building of a McDonalds at 37 Roseberry St.
