Attn: Nick England

Dear Nick,

Development Application No. DA2022/1205
Description: Designated Development - chemical storage facility (installation of CO2 storage tank)
Address: 49 Chard Road BROOKVALE

Reference is made to the proposed development at the above area and Aboriginal heritage.

No sites are recorded in the current development area and the area has been subject to previous disturbance reducing the likelihood of surviving unrecorded Aboriginal sites.

Given the above, the Aboriginal Heritage Office considers that there are no Aboriginal heritage issues for the proposed development.

Under the National Parks and Wildlife Act 1974 (NPW Act) all Aboriginal objects are protected. Should any Aboriginal Cultural Heritage items be uncovered during earthworks, works should cease in the area and the Aboriginal Heritage Office assess the finds. Under Section 89a of the NPW Act should the objects be found to be Aboriginal, Heritage NSW and the Metropolitan Local Aboriginal Land Council (MLALC) should be contacted.

Kind regards
