RE: DA2018/1667 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

Dear sir, madam

I wish to object to this development due to the bushfire risk.
It is improvident to allow more seniors living to be built on land directly adjoining bushland.
It has the potential to lead to the loss of human life either within the development due to the direct effect of a bushfire or by impeding the evacuation of fleeing local residents down Allambie road

Please refuse this development

Kind regards

J Marlow
