RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

I think this is a brilliant new local event and one that is desperately needed to revive the Warriewood/Mona Vale area on Sundays, which is dead!

It will bring in jobs, create a sense of community and locals will get to enjoy food, music and do their weekly fruit and vege shop.

As a local of the area, I wholeheartedly agree to this application and ask that you please approve it. It is a great new local market that will make our area thrive.
