RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

To whom it may concern,

I'm writing to voice my opposition to the proposal. My family has lived in Freshwater for 60 years and as someone who was raised in Freshwater and still visit every week (to the family home) I believe the proposal will be detrimental in multiple ways, mainly noise pollution. I understand as a young person in my teens and 20's the value and fun of local entertainment venues, however there is more than enough in the area (Collaroy, Dee Why and Manly). Ample choice for young people to enjoy themselves. An outdoor venue in the middle of a residential area shows a complete lack of consideration to the locals. The negative impact to the community far outweighs any benefits (if any) for the residents.

Freshwater is a peaceful and unique place. Let's keep it that way.
