RE: DA2023/0868 - 39 Hay Street COLLAROY NSW 2097

I am extremely concerned and would like to protest against the DA for high density living/11 apartments at 37 Hay st. The traffic, parking is already congested and often dangerous when approaching pitwatter rd on Anzac/hay st. This beautiful area of Collaroy valley is R2 zoned, low rise. It is out of character, and an eye saw.
