To whom it may concern

I recently received a letter outlining the development of 53 & 53B Warriewood Rd.

As highlighted in previous communications, I have significant concerns for the extension of Lorikeet Grove and the road traffic it will create. This road is very narrow with cars parked on the side, plus is a popular spot for kids to ride their bikes and enjoy the neighbourhood.

Please explain what the plan is to deal with the significant increase in traffic through this narrow street?

Thanks
Sean
