RE: DA2021/1541 - 20 Albert Street FRESHWATER NSW 2096

I write in support of a new restaurant, Alma, opening in Freshwater. As a resident of 20 years I would love to see the freshwater strip return to its previous vibrancy. For too long have shops been left empty and the Main Street an eye sore. I support any small business willing to serve the community after the tumultuous period we have just experienced.
