Subject: TRIMMED: DA2022/2281 Pilu Restaurant

With relation to the above referenced DA, we have no objection to this application. We are direct neighbours, situated at 70 undercliff rd Freshwater and have resided here for over 12 years. The operation of Pilu Restaurant is run very professionally and with the utmost consideration for their immediate neighbours, in fact their presence enhances the atmosphere of Freshwater.

It would be a travesty if this significant establishment was put into a position to close its doors. Please feel free to contact us if you would like us to expand further

Regards

Murray and Julie Sheer
