RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108

good morning, as a member of the palm beach / whale beach association i was shown an image of the proposed development of the former fish and chip shop site on barrenjoey road palm beach at yesterdays meeting. i found the image presented was totally misleading in that the angle of the image clearly did not present the true height and proportion of the proposed development . are there official alternate images available
best regards
stuart cameron
