RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

To whom it may concern,
I full support Pittwater RSL in their attempt to host organic/community markets at their venue.
They have always put the community first in everything they do and I think they would be a
perfect host for something like this.
They have ample parking spaces and appropriate facilities for all.

Thank you for your time.
Kind regards
Prue
