RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I am concerned that this proposed development does not reflect the community's passionate request that we do not develop Robertson Road and instead make it a pedestrianised, al fresco, village feel and heart of our Newport. I feel this proposal is the start of the slippery slope to depriving residents of what we want. Why would you grant permission for this when the overall feel, design and plan of the whole of Robertson Road has not yet been finalised and us residents not completely or reassuringly heard? This development should not be in any isolation and should be regarded as part of the Robertson Road plan. Please hold fire and do not go ahead until we know the master plan. Thank you
