Part 2: Site Plan and Details

Please provide sufficient details to locate tree(s) including labeling the tree(s) numerically on the plan. It is recommended that you tie a marker to tree(s) once this application has been lodged.

Reason for application and outline of proposed work

There is a large tree leaning dangerously over the rear neighbours house (66 Epping Drive, Frenchs Forest) I have had 2 tree toppers inspect and both have confirmed that council approval is required for removal. The base of the tree is quite rotten so there is concern. An onsite inspection will be required as access from 14 Gladys Avenue to the tree is dangerous so it will need to be viewed from 66 Epping Drive, Frenchs Forest.
