re: DA 2023/0782

I wish to make a submission about the hours requested in this DA. The Freshwater village is in the middle of a residential area and the closing times should therefore be limited.

To allow this venue to be open later than all the other restaurants in Freshwater Village Centre will set a precedent that other will seek to follow. I believe that Sunday and midweek hours should be limited to 10.00 pm as other venues such as iGladiator and Stowaway and not later than 11.30pm on Friday and Saturday in line with Stowaway. Their hours for the outdoor section are reasonable in my view.
